

OTISFIELD.
George Akers is sick with pneumonia.
Sarah Weston is quite sick at present.
Harry Weston died Feb. 7th of pneumonia. He was only sick a week. His father has cast a gloom over this place. He leaves a wife, two sons and 12 daughters. Funeral services were in the house Feb. 10th conducted by Rev. Hathaway of East Otisfield.
Mrs. I. H. Edwards has been stopping at her daughter, Mrs. Frank Latulip, for the past two weeks. She is also suffering with rheumatism.
Ernest Scribner is at home from Winooski, Me., where he has been at two years.
Mark Tapley" was in town recently. We were glad to see him.
A. Joseph Gerrish is in very poor health.
School closed in district No. 1 Feb. 15th. It was taught by Grace Spurr. It was a profitable term as usual as she is one of our best teachers.

SOUTH RUMFOLD.
Mrs. Ardelta Elliot passed away Saturday, Feb. 23d, aged 33 years, 10 months. Funeral services were held Feb. 11th at the residence of M. L. Wymann, where she was sick for five months.
Sophia Averill is visiting her sisters, Amy Putnam.
D. Putnam has been obliged to give up work in the chemical mill owing to ill health.
Mrs. Porter from Andover is stopping at her daughter, Mrs. Clara Bessey, for a few days.
Gusta Putnam is not so well.
Mrs. Wyman, C. D. Lane, Harry Neal, Putnam, W. P. Chase and Fred A. R. R. got in their year's supply of coal. Part of it was hauled from the head of the falls where it was used by Coolidge, part of it from Putnam's and the rest of it from the river bank of St. Samuel Thurston's. They all received the coal through.
Mrs. E. Putnam went to Hebron to see her father. She finished her school at South Rumfold.
Mrs. Gordon and wife and Job Morrison and wife from Dickvale were at M.L. Putnam's visiting last week. N.Y.Z.

HEBRON.
The very pleasant event took place at the home of Mr. and Mrs. Vernon C. Shelburne, N. H., on Saturday afternoon last, when their second daughter, Myrtle D. Green, was united in marriage to Ernest Sturtevant, of Hebron. The ceremony was performed about 7 p. m. by Rev. E. K. Russ of Gorham, N. H. The ceremony was performed in the most impressive manner and the evening passed in social enjoyment. The bride received several beautiful and valuable presents. One notable feature with the event is the fact that it took place in a "home" wedding which has been the place in Hebron for several years. Only the near relatives of the bride and groom were invited to the wedding. The bride was Mrs. W. W. and Mr. and Mrs. Albert D. Sturtevant from Locke's Mills, and Ernest Sturtevant, from Hebron. We extend to the happy couple our congratulations and best wishes for a long and prosperous life. ***

Standard Story Teller says that Woodstock has the most musical instrument according to the number of polls they own in the county, also that the inhabitants own more carriages than the other towns, according to the statement of the Board of State Assessors. "This being so the voters of our town should give thought to this matter according to the coming March election." To be sure the people are tax-payers and now there are two "penny" pocket-books in consequence of the assessors' report. Woodstock has 261 polls, these polls having 201 votes valued at \$3,260 and 44 musical instruments valued at \$2,121. So we will the music we desire and carriages.

The dramatic club presents the drama, "Ivanhoe" of the "76" at Dunsmuir, West Paris, Tuesday evening, Feb. 26. Come one and all and have time. It is a good play.

RE May let I will send ten packages of Clinton Flower Seeds for it. It is a fine, pretty, and will receive the Prize. Address, Ross Charles, Lovell, Me.
